The legal basis of Oman trademark is the Industrial Property Rights Law. Oman is a member of the Paris Convention and the Madrid Protocol. Oman adopts first-to-file basis for trademark application. A trademark registration is valid for 10 years from the date of application and could be renewed for 10 years before the expiry date.

1. Oman Trademark Registration Fees

| Services | Fees (USD) |
|---|------------|
| Step 1: Pre-filing Search | |
| Each class | 360 |
| (1) Pre-filing search is not compulsory in Oman. (2) Pre-filing search is limited to Oman Intellectual Property Department's database only. (3) Pre-filing search report delivered in 15 working days by email. | |
| Step 2: Trademark Registration Request | |
| Each class | 1,260 |
| (1) Fees covers both our service fees and official filing fees; (2) Fees for trademark registration request listed above cover not more than 20 items of products or services in each class. Each item in excess of 20 will be charged with an extra fee of USD10. (3) Multiple-class application is not available. | |
| Step 3: Final Registration/Certificate | |
| Each class | 480 |

Note:

- (1) The fixed fees quoted above apply only to trademark applications which are unopposed and proceed without complication.
- (2) The fee of Trademark Registration Request included publication fees of Ministry, Official Gazette and newspaper.
- (3) All fees quoted above do not include delivery fees and translation fees.
- (4) Fee for claiming convention priority is USD45.

2. Calculation of Registration Costs

Example 1: One mark one class

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear), that is, one mark one class, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: USD360

Request for registration: USD1,260

Final registration/Certificate: USD480

TOTAL: USD2,100

Example 2: Two marks one class

If you want to have your trademarks "ABC" and "DEF" registered in Class 25 (clothing, footwear, headgear), that is, two marks one class, the total fees for trademark pre-filing searches, registration requests and certificates are:

Pre-filing searches: $360 + 360 = \text{USD}720$

Request for registrations: $1,260 + 1,260 = \text{USD}2,520$

Final registrations/Certificates: $480 + 480 = \text{USD}960$

TOTAL: USD4,200

The costs illustrated in the examples above are based on the assumption of a smooth application, that is, no objection being raised by by Oman Intellectual Property Department or any other third party. Also, the costs stated above exclude courier charges for sending the Power of Attorney, delivery of Certificate of Registration upon acceptance of registration and translation fees.

It is further assumed that the number of items of products included in each class is no more than 20. Each additional item after the first 20 is charged at a fee of USD10.

7. Refund Policy

If we have already filed an application and the application is objected by Oman Intellectual Property Department or any other party or refused, there will not be any refunded of fees.

In case you have paid our fees for all three stages of an application and the search result indicates that an identical mark is already in the register, the application will not be proceeded.
